JCP&L Supports the 2007 CHATHAM TOWNSHIP SUMMER SERIES

Stan Prater, Area Manager for Jersey Central Power & Light, presented a contribution on May 30 in the amount of \$500.00 to Nicole Hagner, Chatham Township Committee Member, and Anna Riker, Program Manager for the 2007 Chatham Township Summer Series. The inaugural program for the series will kick off on June 26th with a Family Movie “A Night at the Museum”.

The evening's festivities will begin at 7:30pm with music by DJ Ed, a balloon sculpturing and snacks, followed by the movie at 8:30pm. Bring your blankets and chairs and enjoy the evening.

Subsequent Chatham Township Summer Series events will occur on alternate Tuesdays in July. On July 17, a concert will feature Chatham's own with “The Mailman's Band”, following on July 31 with a car show and music by WMTR.

All events will be held at Mountainview Field on Meyersville Road (behind the Chatham Township Municipal Building). Rain plan: the movie night and concert will be moved to the Mountainview Gym, and the car show will be rescheduled to August 1st. For more information, including entry forms for the car show, please contact Anna Riker at 973-410-1307, or visit www.chathamtownship.org.
